A LOOK BACK

GROWING FROM WITHIN

Since 2011, the Dean of Students Office has supported the student body with dedicated, compassionate staff who are committed to student success. Over the last five years, we have grown and enhanced our ability to connect with students, empower, intervene, and quantify customer service ratings.

WE ARE A PART OF SOMETHING BIGGER

Last year, our staff was recognized at the university, regional, and national levels for our innovative practices. We are proud to be a part of a community that values the work we do to create a welcoming, thought-provoking and accessible programs that make a positive impact on the lives of our students.

OUR STRATEGIC GOALS

Support and educate our student population during times of trauma or academic difficulty.

Implement a variety of options for meeting needs.

Consult with our private colleges in the Gainesville area.

Promote academic integrity and social discipline.

Serve as a catalyst for positive change in the lives of our students.

Maintain organizational performance and effectiveness.

Promote internal and external resources.

FROM THE STUDENT BODY

Dear Dean Jones,

I had an excellent experience with the Dean of Students office. Everyone I spoke with was helpful, professional, and welcoming. I would highly recommend this office!

Sincerely,

All of the interactions with support staff and administrators I had were positive. I felt that I was treated and trained as efficient, friendly, helpful, and caring staff.

Thank you so much again for everything. You have taught me a lot of important life lessons.
